When you want to move water fast, count on Agri Drain's Watermaster Pump!

Powerful: Pumps approximately 840 gallons per minute through a 6"-diameter discharge hose.

Adaptable: Handles almost any liquid from water to sludge.

Efficient: Built with a 5.5 horsepower engine.

Portable: Only weighs 80 lbs. - Take it wherever you need it.

Easy to use: Set in water, unroll hose, pull cord, and walk away.

Use in a variety of applications:

- Drain low spots in farm fields & ditches
- Use to irrigate from nearby water source
- Use to pump water for fire suppression
- Remove floodwater from buildings & basements
